Tapasya, who recently gained a Highly Commended award in the Remarkable Restaurant Category at the 2018 REYTA's (Remarkable East Yorkshire Tourism Awards); has launched an exciting entertainment feature to take place in Tapasya's Beverley Road Restaurant.

With a nod to the fascinating period of music history in India when American violinist Leon Abbey first brought his jazz band to Bombay in the 1930's, leaving behind an incredible legacy.

Tapasya will welcome its Bombay style Jazz band to the award winning Tapasya Beverley Road Restaurant featuring the popular and talented Mad Dog Jazz Trio every month starting April 12th from 6.30pm, fronted by the ubiquitous Mad Dog Jones.

Jazz was first introduced to Bombay in the 1930's by touring American artists.

The Indian city of Bombay, now Mumbai, had its very own thriving jazz scene in the 1930's that lasted three decades in total, this jazz heritage inspiring Tapasya's owners. Experts believe India's jazz age was fundamental to the creation of Hindi film music a.k.a Bollywood music.

Tapan Mahapatra, Director & Founder says, "We are delighted to welcome a Bombay Jazz band to Tapasya Beverley Road. We have always been keen to test the popularity of fine dining entertainment and offer our guests something special and unique to enjoy".

Tapan says, "The new announcement of our entertainment will provide all diners with a dual gourmet treat of top jazz entertainment alongside all important excellent food and service. We are really looking forward to seeing what people think."

"We often find that Tapasya Marina offers diners the luxury of iconic views across the Hull Marina, therefore at Tapasya Beverley Road we wanted to add a touch of spectacular too – but, with music."

Continuing their recent success, Tapasya launched a brand new A'La Carte menu at its Beverley Road Restaurant to add a fresh and innovative dimension to the restaurant - already proving popular amongst dining guests.

Mukesh Tirkoti, Director & Founder says, "Our A'La Carte menu is still very new at Tapasya Beverley Road, so it will be a new experience for diners to enjoy a taste sensation sampling the new dishes whilst relaxing with the sound of sensational Bombay Jazz".

Tapasya strives to showcase their efforts by adding additional excellence to Tapasya Beverley Road and Tapasya Marina, starting with the introduction of Bombay Jazz live performances that will offers diners something new and exciting, bringing the Tapasya foodie experience to life!
